

# CERTIFICATE

## The company

**Vita Baltic International UAB**  
Jurgiškiai, Alytaus sen region  
62181 , LITHUANIA

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the OEKO-TEX® mark, based on our test report **VN002 123164.1**

## for the following articles

**Flexible polyether polyurethane foams, listed below, in different grades, partly finished with a flame-retardant product accepted from Oeko-Tex®: - Conventional (VB) - Conventional combustion modified (CV) - High resilience (HR) - High resilience combustion modified (CH) - Viscoelastic (memory) Vitarest (VE) - TIGER touch (TT), up to a height of 15 cm**

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

**This authorisation is valid until 31.10.2017**

Wien, 27.10.2016
